Hi Dan - is this an internal EPA meeting? Please let me know what time the meeting is and I'll see if we can arrange a discussion, should be possible.
How much time would you like us to use?
Regards, Andy

Hi Andrew,

We in Region 2 are having a meeting of our PFAS Workgroup on March 16th, and I have had a few people mention their interest in the PFAS Data Explorer.

Would you or one of your colleagues like to participate in our meeting and give a demonstration of the tool?

Thanks,
Dan
